### Easy Directions for Taking Public Transportation to the Cathedral Center from Far Away Places

1. Take Metrolink, the Gold Line, the Red Line, the Purple Line, or Amtrack to **Union Station**
2. After you descend from the train platform or ascend from the underground, walk in the direction of the **Transit Plaza – Buses**.
3. Go all the way to the yellow block wall and take the escalator or stairs up to the bus plaza. Portable signs may say “to Flyaway Bus.”
4. Go to **bus stop area #5**.
5. Take the **704 MetroRapid bus** (red, articulated in the middle.) Its header should say “Santa Monica” or “West LA.” Bus fare is \$1.50, or your Metrolink ticket (depending upon the type) may be good for Metro travel all day. The bus will exit the station and travel west on Cesar Chavez.
6. Cesar Chavez becomes Sunset Blvd. Get off at **Sunset & Echo Park Ave.**, which is about the third or fourth stop (there is a Walgreen’s Pharmacy on the right at the corner.) The trip takes approximately 8 minutes.
7. Cross Sunset (heading toward the Bank of America on the corner) and walk south on Echo Park toward the lake 1 ½ blocks. The Cathedral Center will be on your left at 840 Echo Park Ave.
